The Australian Museum

The Museum is open Free to Visitors every Week Day, including Public Holidays, from 10 a.m. to 5 p.m., Sundays, 2 to 5 p.m. It is closed on Good Friday and Christmas Day.

To Students and Pupils of Schools and Colleges special facilities for Study will be afforded if the Director is previously advised of intended visit.

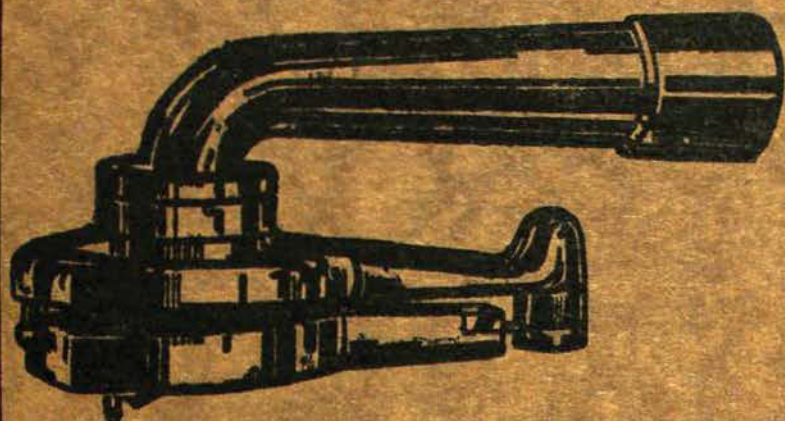

Children under 12 years of age, unless accompanied by older people, may be refused admittance.

Donations of even the commonest specimens of Natural History (if in good condition), specimens of Minerals, Fossils, Coins, and Native Handiwork, are always welcome.

The office is open daily from 9.30 a.m. to 1 p.m. ; and 2 to 4.30 p.m. (Saturdays to 12 noon); and visitors applying for information there will receive every attention from the Museum Officials.

Mr. Edison's Latest Invention

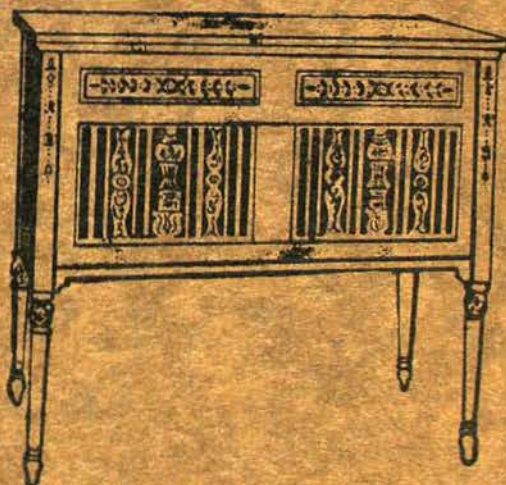

FULL DANCE ORCHESTRA VOLUME FOR EVERY "NEW EDISON" OWNER

Just a simple attachment—but what a difference it makes! It brings a live Dance Orchestra into your home—that full glorious volume of sound that makes every one get up and dance, whether they wanted to before or not.

Laughter and chatter cannot drown this new music.

Yet the "New Edison" Loud Dance Reproducer is only one of many advantages enjoyed by Edison owners—amongst the others are authentic period cabinets, no needles to change, and records practically free from wear and breakage.

Ask us how you can hear the New Edison in your home side by side with any other instrument, without obligation on your part.
