

Thanks for coming to the Australian Museum's Science in the City!

This information is designed to help you communicate to the bus company that you have booked with where the most appropriate location for drop off is.

Location

The Australian Museum is located on the corner of College Street and William Street in Sydney CBD, just across the road from Hyde Park and opposite St Mary's Cathedral.

Buses

For buses dropping off school groups, bus zones are located on College Street across from Hyde Park and out the front of the Museum and Sydney Grammar. School buses will be required to drop off school groups at this location, where teachers will check in their schools for the event. This location will also be identified by an Australian Museum flag with the number 1, situated where drop off and check in are required.
